## **HORVATH TOWERS WINS ZONING APPROVAL FOR TOWER IN SOUTH BEND, INDIANA**

SOUTH BEND, IN - JUNE 25, 2007: Horvath Towers, LLC, a leading developer and manager of wireless communications towers in the Midwest, has obtained approval from the South Bend Common Council, by a vote of 7 - 2, to construct a communications tower that will serve wireless carriers looking to expand their service area near the west side of South Bend. The tower is to be constructed on College Ave. in a light industrial area so as to minimize any impact on residential areas. The tower will be 171' monopole design with capacity for 4 (four) wireless broadband carriers. Horvath anticipates commencing construction in September, 2007, after all environmental and regulatory reports have been completed.

Horvath Towers owns and develops towers for wireless communications carriers and public safety entities. Towers developed by Horvath are consistently rated among the highest in occupancy in their respective regions. Horvath's principal, Jackie Horvath, has established her company as a leading developer and manager of towers in the Midwest, in addition to having a presence in Pennsylvania and Texas. Horvath Towers, based in South Bend, Indiana, is a joint venture between Jackie Horvath and the equity firm Peppertree Capital Management, Inc.
